Class Duration: AS PER REQUIREMENT

Benefits of the PORTFOLIO to You:

Uniquely Conceptualized Model Portfolio Program.
 A modeling portfolio is an essential tool to help you land dream clients; that's why you should take your model portfolio seriously. Perhaps the most important element here? Making sure you have the right variety of between 10 to 15 images. That includes headshots (smiling and not smiling), full-length shots, three-quarter-length shots, with a number of different poses to show your versatility. Of course, these images should look as professional as possible. It's important to work with a top-notch photographer who has proper gear and a background in the craft.

- **Personal Grooming to you**
- **We will Determine your modeling type**
- **We will Hire a good photographer**
- **We will Hire a professional hair and makeup artist**
- **We will Hire location as per your portfolio theme**
- **Portfolio Preparation for you**
- **Practice posing**
- **Choose your outfits**
- **Have your photo shoot done**
- **Portfolio Production for you**
- **Choose your best shots**
- **Have your portfolio hardcopy printed**
- **Create a softcopy modeling portfolio**
